Mr. Lewis Jones, President,
Bennington College,
Bennington, Vermont.

Dear Mr. Jones:

About a year ago this company loaned Bennington College a Dymation Shelter Unit. Mr. Buckminster Fuller, who handled the matter, is now with the government in Washington.

For insurance purposes, etc., it will be necessary for us to know the status of the unit, whether or not it is in use, etc. At the same time we would be very pleased to hear any comments you have to offer.

Sincerely yours,

THE DYMATION COMPANY, INC.

Robert L. Brandt
President
